Dear Inland Northwest Action Shooters, Volunteers, and Donors,

On behalf of Gonzaga University's Department of Military Science, thank you. The 1LT Forrest Ewens Memorial shooting event is a tribute our fallen Comrade. By honoring him and donating to the 1LT Forrest Ewens Memorial Award, you also honor all of us in the Bulldog Battalion as we prepare our cadets to be leaders of character and competence. We are thankful for your donation and we appreciate your continued support!

Best Regards,
